“ I am so very sorry for your loss. My thoughts and prayers go out to his family and friends.

I worked with Larry for a few years when he was employed part time at the bank as a security officer. He was such a great guy! As the branch manager I would have to stay and assist the drive-up tellers so when the lobby closed for the business day cutoff, Larry and I would play cards, Rummy to be exact. We had a lot of good matches and laughs during those times.

He is sadly missed.
