

## Larry R. Nolting

July 24, 1954 - August 19, 2025

Larry R. Nolting, age 71, of Versailles, passed away Tuesday, August 19, 2025, at home surrounded by family. He was born July 24, 1954, in Versailles, son of the late Orva H. and Ruby Marie (Lemler) Nolting.

He married Debbie White on June 7, 1973, and they had a daughter, Amy. Later, on November 10, 1987, he married his surviving wife, Terri (Capps) (Pawling) Nolting.

He found joy outdoors – running his rabbit dogs, chasing whitetail, squirrels, or just sitting in his favorite fishing spot.

He spent most of his life working with his hands in carpentry and welding (over building everything). He was often found in his shop working on a project or teaching his crafts with, “you’re doing that wrong” as a tagline.

More than anything, he was a devoted and amazing father, even when he didn’t have to be. He raised his son with unwavering love and dedication as if he were his very own. He loved his children and instilled the values of kindness, resilience and integrity. His legacy lives on in the lives he touched and the lessons he shared.

In addition to his wife, Terri, he is survived by his children, Amy Knuth (Mark

Mitchell), Andrew Pawling (Andrea) and Jessica Ruehler (Allen); grandchildren, Riley Stanley (Taylor), Noah Whittle, Owen Ruehler, Brantley Ruehler, Adalyn Pawling and Addy Rayl; great-grandchildren, Lyla Stanley, Esme Stanley, Adeline Stanley and Watson Stanley; his sister, LaVera Bender and many other close, extended family and friends.

A note from Terri.....

Larry requested that there be no funeral services. He understood how traumatizing it was for me when I lost Bill, my first husband. Larry said, "I would like to outlive you by at least one day so you don't have to go through that again". But God had a different plan. To protect me in the only way left to him, he requested no services. I will graciously accept that gift. Thank you for understanding.

.Cremation arrangements are under the direction and care of the Kidwell-Garber Funeral Home of Versailles.

“ One of the best memories of my grandfather was him showing me how to one hand cast an open faced fishing reel, he said “come here son watch this”. With a smile on his face and a flick of his wrist I watched enthusiastically as a treble hook flew through the air and made contact with my head it was both painful and funny. My grandmother Terri was not too happy when he delivered me to her with blood coming out of the back of my head. I have several more but this one somehow has stuck in my head for the last 20 years being one of the more memorable lol.

“ I am so thankful and proud to have known Larry. What a great caring guy. He and my brother Bradley were buds and I am forever thankful how good Larry was to him. Deepest sympathy to his family, you were blessed with one of the best. Peace be with you.

“ Brian has shared so many wild and crazy stories of these two together, sounds like they shared alot of good memories. I don't who was the biggest influence. I'll let you figure it out. Larry was like a big Ole teddy bear. He was always so sweet and polite and yet he was one heck of a hard worker. So sorry for your loss. He will sadly be missed by all who knew and loved him. GOD'S BLESSINGS TO ALL OF YOUR FAMILY!
