“ I was a youngster when i fist got the chance to meet him when him and my mom worked for Juvinel Court man was he funny he always loved to kid with me i can remember wining him a bet with one of the probation officers at Juvinel cout Larry bet him that i could run down the hall in shackels and i did boy did he laugh so hard we talked about that when he moved back up here and reconnect with our family. The last few months was a blessing for him and my mom they were always laughing and having fun and trying out new things I know my heart is heavy right now and he will be missed dearly by all.

“ Sorry for your loss. Larry was a super person for me to have known. One year he came to help me move to a new home in KCK. He was a lot of fun to work with at the Sheriff's Office. I worked with him when Bert Cantwell was Sheriff and then when John L Quinn was Sheriff. God bless him and all the family. A long time friend. Terry J Clark
