“ *My mommy was the best ever. I am so blessed to be her daughter. No one could ever understand the pain of losing your mom unless you have gone through it. Even though she will be forever in my heart everyday. She taught me lessons, listened to me, and was by my side each and everyday. I'm not sure how life works without your mom, but she taught me how to be independent and become the woman I am today. Mommy I love you to the moon and back!!!!* ”
