Her name is Maakpia Waste' Win - Good Cloud Woman. I had the honor and privilege to be her husband and friend, her partner and ride along on many great adventures. My heart grieves for her sudden departure. Some how some way I will find her again and take her hand and dance among the stars with her when the Creator calls me to my final blessing. I have always loved you, I will always love you. I will carry on the best way I know how, the simple instruction you demonstrated so well, be good, do good and spread the goodness.
