“ *I worked with Lois during her many years with Home Health. There are few who could give so much of themselves in caring for those in need of her services. She gave her all to each and every patient. The patients loved her and her co-workers loved her. Our prayers are with you Kenny.*

“ On Saturday, you called and while we were talking my nurse came in. I told you I'd call you back when we were done. I regret not making that call. I wanted to tell you all things I wanted to say, like, I Love You.

I never got to tell you how much you meant to me or how you were the best sister anyone could ever have.

On Saturday, I wish I would have known and I would have kept you on the phone.

Sis you were the glue for us boys and we could always count on you to know what everyone was doing.

I wanted to hug you, I didn't want you to go and I love you. Now God has called you home to get you wings and soar with Amy and Mom.

Rest now, Kenny and Adam will miss you deeply, but we will all be here for them. Just know, you are missed and Loved!

“ Our world is a sadder place today as we share the loss of Lois. Anyone who has been fortunate enough to share time with her knew well the things that made her so special. When we think of her, we will always remember her quick wit, wry sense of humor, inherent wisdom and most of all, her love for her family. She was always there for people who needed her and was the center of the Snorgrass clan. We will miss our dear sister. Rest in peace Sis...

Lois was a very special person. She loved family and was always so care-giving. Lois was always a good sister-in-law to me and greeted me and her niece and nephews with a warm smile and a big hug. I, too, will miss Lois but heaven has gained another angel. Ken I am sorry for your loss. May the peace of the Lord always be with you. Lois has joined her mom & your daughter now.
