*Cousin Lucy was a gentle sweet lady, very loving and kind. We came to Sunrise Beach and visited with her a few times, each visit was a precious memory for me. I think of her often, and I miss the letters we sent one another.*

“ While we only met a couple of times, I always found you to be such a pleasure. I've heard many pleasant memories about you over the years from my daughter in law. I know you will be greatly missed by not only friends and family but also those that had the pleasure of meeting you along the way. Many prayers to your family. I know you will be watching over them all.
