“ Mabel, or Mabel Aileen, as I knew her was my cousin. Her Mother, my Aunt Pearl, was my dad's sister. We grew up in the same neighborhood and our families were very close. We went to grade school and high school together. Aunt Pearl and Uncle "V" (Vivian) and my Mother and Father were close. Mabel Aileen was 6 months younger than I and we were together a lot during our young years. I have many happy memories of those years when we went to Fristoe Grade School and then to Hughesville High School together.

I know she will be missed by all her family and friends-----
