“ Fred, this will let you know Yvonne and I are thinking of you in the passing of your mother. I stopping by your farm west of town, probably 20 years ago at the time you were a student at State Fair Community College. At that time, you were hoping to work for Tyson Foods, Inc. I am retired from Tyson of Monett after 23 years of service. I remember your grandfather's filling station east of Versailles in the 1950s at the junction of Highway 52 and what was then Route E.
