“ *Mark, was going to look you up today but wound up with that upside down feeling you used to ask about. I live with many regrets but the only one I can think of right now is not looking you up a year, two years, five years ago. Rest easy brother.*

*Mark was our friend for many years.....from the times our boys bowled at the Bowling Alley to present day. The most recent memories was 1. He always gave our name as a recommendation for a house building job. He had taken trees from this beautiful lot on Lake of the Ozarks. The people asked for a good builder. He said Dobbins .....that is who I would have build mine. So we did get... probably the largest house on the lake at the time. All because of this good man. 2. Also, I asked him a big favor years back when he was thinking of quitting work. There was a huge tree stump up at the Y at 135 and Hwy 5. The City was trying to clean that area up. I asked him to do it for me. He cleaned that stump up and never charged the City a dime. How can we ever thank you. That was the kind of Sweet Man Mark was! Needless to say the many, many years that his mother served on the Board of Aldermen for the City of Laurie. Give your mom a big hug for us. We will never forget you, Mark. See you on the other side. *“ Mark loved walking in the pool. We all missed him the past few years. As one staff member said 'He was a character' - He lived sharing stories, listening to mine. I will always remember him as a veteran, friend and gentleman with 'Great Character'... Our great Lord made it possible to meet Mark for the last time on an elevator at VA in Columbia. Even though he was there for a long stay... He was the same 'Character' .... Happy, laughing, sharing.. Always up beat. See you later Mark..... When we all get to Heaven.*

*Theres so much I could say about Mark. We go back to when his parents had a filling station across from Clark Tire in Sunrise Beach. It was a full service station (yes, that long ago.). He became a very dear friend over the years and looked after me as a little sister. I considered him my big brother. Mark held two bonfires in honor of my loved ones. I wish I could do the same for him. I love you always, Mky.*

“ I'll miss Mark, and I'm sure you'll agree:  
He loved and he laughed;  
He lived his life free.  
One of the greatest men I have met;  
You probably feel that same way,  
I'm willing to bet!  
He will be missed dearly;  
There will be tears;  
But Mark will be remembered  
For the rest of our years.  
It's been an honor, boys,  
To know this great man,  
So I'll say it like this,  
As best that I can:  
From all of us to you, Mark,  
You brightened our days....

“ Mark was way more than just a friend to me. I grew up thinking of him more like the brother I never had. I would be the last kid off of the Stover school bus where he would pick me up at 135&5 to drive us both down to Millstone for Tae Kwon Do. I couldn't wait for those trips once a week where he would always have a "good" story about a life lesson that he felt I needed to learn. Mark lectured me about respect and doing the right thing to others as well as making sure I was ready for Tae Kwon Do that night where he was also a student. After class he would take me back to the bowling alley where Mary and Don would continue to look after me till my dad was able to get there. Mark you were a good friend, teacher, and big brother....I will miss you!
