“ My memories of Mark take me back to a simpler, easier time in life...time spent with friends, sharing laughs, music, thoughts of the future. Val, honey I am sooooo sorry for your loss and my heart felt thoughts and prayers are with you and the rest of Mark's family. I hope the life and love you shared bring you some peace and comfort. I wish I could do more. If you need someone to talk to I am still in Grandview, George Flescher always knows how to find me. All my love...Melissa Arden

“ Mark will always remain a special person in my life -- not only as my former husband but mostly because of the son we shared together. I'm sorry God took him so soon, but am glad he is in Heaven where there is no sorrow...no pain...where he can sing to his heart's content. I'm so thankful to have had Mark in my life. Look forward to seeing him later after my life is done.

“*Mark was such a special friend. He enjoyed singing so very much and his voice was absolutely awesome. When he sang, he had such confidence and put so much feeling into each and every song. I always loved sing duets with Mark, especially "Endless Love" which holds so much meaning for me. Mark enjoyed life to the fullest. He always had a smile on his face. The fondest memories I have of Mark are when our "friend" families got to spend birthdays and Thanksgiving together. Our "friend" families always had such a great time and love each other just as though we were blood relation. Most importantly, Mark loved his family! He and Val were always together, and when Cordell came along, he too was always with him! He was a fantastic husband, father, and friend. We will miss Mark so very much, but he will forever hold a special place in our hearts.*

*We love you Mark,
