“ I miss my Uncle Marty so much. Life just isn't the same. Not being able to call him to tell him what's going on or ask what he thinks about my crazy conspiracy theory stuff! I sure miss doing life with him ❤️

“ I am Alsie Clint Shockley, Jr and this was my papa. I lost him when I was 11. I visit this site when I think of him. I wish he was still here so there was more I could know about him and learn from him, but I cannot go back in time, so I will just have to be happy with the time we spent together.

“ I had the pleasure to know Marty a short time of his life. I think whoever Marty came in contact of impacted their lives. I will miss all of his special sayings he had and love for the older country music. Marty was a simple person with a big hart that loved his family and friends. He has touched a lot of harts and greatly missed. God bless you friend and thank you for letting me to get to know you and your family.
