“ To the family of Mary Jahr. My name is Dawn and I had the pleasure of working under Mary at Good Shepherd as a CNA. She was my charge nurse when I worked the medicare hall. I always respected Mary, and she was a very knowledgeable person, and I could always go to her for advice. One time I applied for a position in the Physical Therapy department, but did not get the job. I later was told by Mary that she kept me from getting the position because I was too valuable on the medicare hall and she didn't want to lose me. First I got mad, because I really wanted that job, but when I found out why I didn't get it, it made me feel really good that she admired my work enough that she did what she had to do to keep me on her team. You all are in my prayers, she was an important part of my professional life, and I will not forget her.

*With Sympathy,
