“ Aunt Mary was my mom's sister. They grew up in Missouri. They were two very strong people. My mom was very close to Mary they had alot of good and bad times that they went through together. I wasnt very close to Mary I always lived in Chicago. But in the last few years we became friends. She was so full of life it was contagious. She did the kindest trip to see my mom even though she wasnt feeling good. She knew her sister was dying it was so great to see the two sisters together even though it was their last time together. Mary will be missed but always remembered for her kind spirit and giving nature. Love Kathy
