“ Dear Edith,

I am so thankful to have been a member of your family. I know you as a woman of great kindness and wisdom. Through your unselflessness you have shown such sweet and tender unconditional love. I am grateful for your continued cards and wellwishes throughout the past 30 years. I am forever grateful that I will always be able to share with my family the joy of preparing date pudding the way you taught me, it remains Sarah's favorite desert. It will remain on our holiday table in honor of you for the rest of my life. I value your love of nature and gardening. Your ability to propagate and grow the most beautiful african violets has kept me in awe of your abilities. The healing of your loss will be in knowing that I, Sarah and Jonathan have been the recipients of such tender and generous love. You have been our blessing from God.

With love, Pamela Officer Roquemore

“ Grandma - you were such an amazing, loving, strong woman. You have taught me to believe that God doesn't give you more than you can handle, that I should always have a smile for everyone I meet and a hug for anyone that needs it. You saw beauty in everything and everyone and lived a pure life filled with goodness and thanks. I will continue to admire you and will still look to you for guidance when I don't know exactly what to do. I love you.

Heather
