“ So many memories come to mind. I can't express enough how thoughtful and caring Matt was. Matt taught me so much about life in just a small amount of time. You'll be missed Matt. I love you!

35 years with you in my corner, the times you rescued me and moved me home. The times we argued, the times we laughed. You were always there for all of us, no questions, no judgement. You loved this family with all you had, and we loved you! One of the last things you said to me "bitch your not dying on my watch". I will forever be grateful for all you have done over the years. You will be missed Mathew!!! Watch over mom and keep my son in line. Rest in peace.

I miss you so much! I know you tried to prepare me for this but I didn't know it would happen so soon. You sure did what you said you would do. You told it like it was even if it was something I didn't want to hear. Thanks for all you have done for me & our family. It is an honor to call you family! Fly high until we meet again! I love you Matt Carrell!

Of all the people I've known in my life the small amount of time I knew matt was special. We hit it off right away and conducted ourselves like an old married couple hollering slams at each other across the street. My neighbors thought we were both crazy and we were. When it came down to me needing a friend and help he was always right there. Man I wish I could still pull in my drive and see him out on the porch across the street acting ornery and hollering at me! We will ride again someday old man. I will always remember you and miss you daily
