“ My uncle Dean was one of the most admired men in our family. He was witty, considerate, funny, and firm. My family enjoyed many weekends and summer trips to his home for airplane rides, boat rides, and generous dinners. He influenced my life in many ways without him being aware of it. I always looked up to him and always felt that he was just a phone call or road trip away. My family will miss him and were blessed to have been a small part of his life. RIP Uncle Dean, we always loved you and will feel the void of your departure.
