“ I met Mike at College in Warrensburg, MO in about 1970, when he was looking for a roommate, and became both my roommate and friend. He has been a great friend since that day, and I will miss him. I hope that everyone who Mike has met and touched will be comforted by God and through the ongoing friendships that Mike made with each of us. He was always a kind and gentle person, who saw the best in others, and helped each of us reach our best. He expected the best in us, and supported and loved each of us. I believe that knowing Mike has changed the person that I am for the better, and that death is not the end. Mike's spirit is with the Memorial Service today, and will be with each of his many friends, and Love ones today, and each day for the rest of our lives, and we will each get the opportunity to see Mike again. I hope that we can continue to honor Mike's gift of friendship by continuing to care for one another. I will try to post more photos later. Butch Leuthart 573-435-9418, or butchl52@gmail.com

“ Dan, I presume you are the person I was in Mr. Mastin's 8th grade class with and with whom I attended Versailles High School. This will let you know I'm remembering you in the loss of your brother
