“ I remember the first time meeting Mike at Volleyball, I thought he would be a terrible player, but he wasn't, he was very good, but I had to body check him a few times to get him to stay in his own area. He made me feel welcome and asked me to come back next week. I have loved them both ever since. I still drive up North Oak near their old home, and I always think about them, good good people. I will miss you Mike, you were just like an older brother to me, and I will always love you, I know you took our love with you to Heaven, and I am sure you are bathed in the brightest light possible. Keep watch over Evalyn, as you always have.
