“ I worked with Mike for many years from King Radio to Allied Signal to Honeywell. We shared many laughs and even though it was work Mike had a way of making it fun. I also had the pleasure skiing with Mike a few of times and he was kind enough to let my son and I stay in his condo for a token fee. Carol and family I'm sorry for your loss and I pray that you will find comfort in God's grace in the days ahead. God Bless.
