“ Rita and family,
Very sorry for the loss of Mike, while working with him at the shop in Washington all those years ago, I still talk about him and his antics we had along with more hours of laughter that went along with hanging out with him. I think about him all the time and will have a heavy heart knowing I won't get to hear “woooo-whooo” as he walked into our house. Thoughts and prayers forever to you and the family.
