“ Aunt Jo had the ability to make you feel so special--she would tell me--you are my very favorite niece--I'd laugh an say Aunt Jo--you tell us all that, she'd reply--well you are!! She always made time to make each person special--she loved big jewelry--glittery clothes. She was like a light shining amongst people--she had a kind word about everyone. She could take a plain outfit an make it beautiful just by wearing it. She had very little time for gossip--but always to have encouraging words that were just right., just what you needed to hear. She would say--I saw so an so an talked to them about Jesus--I told them that there was 1 thing he couldn't forgive them--they would ask what an she would say--Because you didn't ask them. She will be missed by everyone that knew her. She was beautiful with or without make up--her smile was radiant--gonna miss her smile an her tinkling little laugh--I love you Aunt Jo!!

“ Jo Patton was willing to have a BUNCH of screaming, giggling, loud little girls invade her home for parties and treat us all as royalty! Fun memories from childhood as Jo as the hostess. I know Penny is sad beyond belief, but she can rejoice in many many happy memories of supportive parents.
