“ What can I say....Heaven gained another beautiful angel! Nancy was the matriarch of the Clark family, loving her family like no other. Jim and I bought a home from Ellis and Nancy 8 years ago and they accepted us and made us feel like we were family too! We are so grateful to have had her in our life and precious memories to hold on to. We love you all!

“ *In October 1970, I returned from Vietnam. I was introduced to Ellis and Nancy Clark for the first time in November 1970. February 1971 we opened Hiawatha Implement Company Inc., the John Deere franchise we purchased from Don Cowen in Hiawatha, KS. I had just turned 22 years old. For whatever reason, Ellis and Nancy took a chance on a young Marine; we were partners, and became life long friends. We were family. Nancy schooled me in accounting, she was a mentor, and a close friend. Nancy was smart, and quick witted. I loved to make her laugh. Ellis and Nancy did not realize they helped me so much in the transition from combat to business in Hiawatha.*

I was married in 1973. Ellis and Nancy accepted Linda into our fold as well. There are so many memories. I provided dandelion control in areas surrounding Nancy's yard. Tree removal at the shop. 😊 The fun times spent on the water at Horton Lake and the Ozarks. Watching our kids grow up. I guess I was just another kid in many respects. We were never bored. We love you Nancy. We thank the Lord for allowing us to be part of Nancy's life and for Nancy to be a part of our lives.
