“ Mouse,

I am so sorry to learn of Mom II's passing. The one thing I know is that she died in the setting she loved so much. My last visit was in 2007. We stayed on the boat. I was too land bound to be comfortable getting on and off the boat and moving around on the dock. Nancy moved with ease.

I have so many interesting memories of us growing up under the influence of our Moms.

Thanks to your family I was familiar with the United Methodist Church; that turned out to have a profound influence on my life.

I had some very good visits with Nancy when she was in Florida. I remember her taking orange juice and donuts to the children's Sunday School class she taught because so many of the children did not have much to eat. She was a very good person. And a great friend to her cats.

I wish I would have known in time - I would have come to the service. My thoughts and prayers are with you, Jay, Dan, and all your family.

“ Our heartfelt sympathies to the entire family. We are saddened to hear of your loss. May God comfort you with these words from the Bible. "He will swallow up death forever, and the Sovereign Lord Jehovah will wipe away the tears from all faces. The reproach of his people he will take away from all the earth, for Jehovah himself has spoken it." (Isaiah 25:8)
