Love doesn't die,
People do.
So, when all that's left of me
Is love,
Give me away.

“ *I will always remember spending the Fourth of July at your house. Nicholas set off some fireworks near the rabbits cage and caused quite a lot of excitement. We love Mark and your family. Our prayers have been and are with you as you go forward without your beloved Nicholas.*

“ *What an impression Nick left on me. I will be forever grateful for his influence and genuine spirit. I have a deep admiration for Nick - to this day. This world lost a beautiful spirit that had a quiet, yet bright shining light. I expect him to give me a hug when I meet him again.*

To his family - be absolutely proud of Nick for the man he was. He was an example in many ways. He had strength. He had compassion. Humor. Love. Wit. He appreciated the beauty of things many people simply failed to notice. I wish even more people were able to experience the beautiful spirit that was Nick Roberts.

Although I wish he remained here, I would love to have been able to give him and handshake, a hug and say "love ya like a brother" one more time before he embarked on a different journey.for that, I will have to wait.

“ I was grief-stricken to hear that Nick was gone. I worked with him at Theater League. He was such a good guy and had such a witty, sarcastic sense of humor and an engaging smile that went on for days. He will be missed. Prayers for his family.
