“ Mom despite the Alzheimers, When I was there. I could see you recognized me by just my voice. Also Barry and Jim and others. The thing I will always treasure. I told you I love you. I heard the words. You said I love you! Then no more words from you. I prayed over you. I begged for your peace. God granted me that and now you are gaurdian Angel! I love you!

“ Loved working with momma Pat at Dillards in the children's department. She' was so good at organizing her area that I never had to worry about getting things done. Pat was in control. She had a great personality and was always making me laugh. The stories we can tell about our Dillards days are crazy... the only positive thing about working there was meeting wonderful people like Pat. and Gina. Love you Gina and Barry. My thought and prayers go out to the family...will never forget

“ Grandma has always been known to us as "Makeup Grandma". It was always the bright vibrant eyeshadow that had us girls batting our eyes at the world. She always made sure Christmas included ALL family members, regardless of the adult relationship status. Summers consisted of thrift and antique shopping, malls, homecooked meals, catching fireflies outside, and all the cousins together. She always ensured me that when she passed, she would be the BRIGHTEST star in the sky and would one day be our guardian angel. It was the only thing that eased the thought of one day having to let her go. Shine bright up there Makeup Grandma! Your GREAT Grandkids and myself love you very much! ☐🕊️
