“ *Condolences for the Family and friends of Paul. My most vivid memory of Paul was his visit to Belize. Paul and Gunny helped sink my little fishing skiff three times in one day. Can't remember having so much fun. Paul helped me so much during my dark days. He helped load my U-Haul van bound to New Orleans during heat of August. I will not forget this kind gentleman's impact of mine and others life.* ”

“ *I once shared with dad that I liked how he had one place or group of people he grew into his sobriety with. He shared that he liked the fact that I had been to many groups and places over the globe. Our trip to Belize in 2005 was his first meeting outside the US and the first time I had been to a foreign country without being on a war footing or training. Bill was a great host for a week and dad enjoyed island life and attending a meeting where Spanish had to be translated so we could understand our fellow members. This is among the many memories I will always carry with me.*
