“ Paul and I were in the Van Buren High School junior play, played "opposite" each other. I got to know him well during that time. He was a very sweet boy, and when I saw him at our 50th VBHS reunion, I learned he was a very sweet man. I'm so glad I had the chance to see him once again.

“ I graduated from Van Buren High School with Paul in 1959. I last saw him at our 50th class reunion but did not realize he had been sick. He was a great friend and I am sure he will be missed by his family and friends. Joyce Gelly Patton
