“ *Many wonderful memories of Paul. He, Susan and kids were my second family while growing up. Stil think of them this way. It was a priviledge to spend time with their family. Learned alot from them. Paul was always a hard worker and enjoyed life to the fullest. My thoughts are with all of you during this difficult time. May your many memories of him help you through.*

“ I worked with Paul in Laurie years ago, and enjoyed getting to know him. There have been lots of shared stories with the circle of folks we found in common. Some of those were very humorous, and connected us to lots of businesses and families in multiple communities. Peace and prayers are here for the family. We remember all of you fondly.
