“Peggy was one of the best ladies I know! She was an amazing mother, and friend! She was my first Girl Scout leader! I have so many memories but the one that always comes to mind is when we would have the lock-in at the mall in Laurie! From pillow races in the hallway to doing the hula in the stairwell. She was the best. Keeping you all in my thoughts and prayers! Rest In Peace Peggy!

“ Peggy was a good mother, grandma, great grandma, aunt, cousin, niece, sister and friend. I was blessed to call her sister. She loved her husband, Richard, her family and would do anything for them.. She passed that trait on to her children. She enjoyed her dogs, cooking, working with yarn, plastic canvas, watching Hallmark movies, American Idol, and traveling. Especially trips to Oklahoma and Alabama. She left us to soon. She will be missed greatly. She is with Richard, mom, dad, and our brother Jim. I know I will see her again when I am called home. I love you sis. A hui hou kakou!

In the coming months there will be a lot of firsts for our family that we will have to go through without you. Yesterday was my first day back at work that I didnt get to call you on my way home to tell you about my day.

I wanted to make more memories with you but I know that was me being selfish. I will cherish the memories that we had and I will miss you beyond words..Love you momma.

“ Her and my father used to visit us in the dead of winter every year, the first time they brought sweet little Jasmine with them, now a mother of three! My father would always fall asleep anytime, anywhere and snore like a big dog! 😊. Peggy would try to quiet him down calling his name, but he was very hard to wake. She would yell “REETCHERD, Reetcherd!! Such a sweet lady, we will miss her as we already have since the last time we were with her. Rest peaceful Peggy.....
