Phil was always kind & measured in his words. He was genuinely friendly to work with & be around. His love of life & people is well evidenced by the tributes & photo's as posted. Rest in peace good friend.

“ *I had the privilege of working both with Phil and his father in security at Honeywell for many, many years. We can't know why some things happen...but we can know that love and beautiful memories outlast the pain of grief. And we can know that there's a place inside the heart where love lives always...and where nothing beautiful can ever be forgotten. If I've learned anything down through the years, it's that nothing beautiful in this world is ever really lost---Those we love and cherish will always live on in memories and in our hearts. May God comfort you all at this time and ease the pain with those memories of the good times.*

Shawn,

So sorry for your loss. Phil was one of the first few people we talked to when we came to Driftwood. Such a nice guy. Too bad we never got to ride Harley's with him but I know it brought a smile to his face each time we rolled by on the bikes. We'll miss him. Signed - "The Iowa Kids", Ken & Michelle, Bob & Chris.

Bob Pritchard - March 21, 2017 at 05:19 PM

He did smile every time you guys drove by on your bikes! I have wonderful memories of our bike trips and I would never ride with anyone else. He always made me feel safe! Thank you for thoughts and how kind you were to us!
