“ *I know your at peace now grandma. You were a big part of my childhood and I have a very special memory of one of the last conversations we had that I will always remember. A memory where you were the most excited and alive and wanted to tell me all about it. Your with Aunt Vicky now and no longer living with pain, hurt or sadness* ❤️

“ *Mom, I just want you to know that you were and always will be loved. you deserved so much more than what life on this earth gave you. No more pain, no more hurt and no more sadness. You will always be loved and keep that baby sister of mine in line up there. I know she took you home to God. Always in my heart. Your favorite daughter, Laurie. Hahaha.*
