“ *It was an honor working with Randy during his years as an Associate Circuit Judge in Lafayette County as well as while he was a practicing attorney. He was kind and personable and treated everyone with respect. My heart is heavy with the knowledge of his passing. Karen, Kimberly, Phillip and the entire family are in my thoughts and prayers during this difficult time. Randy will be greatly missed by so many.*

“ *So sorry to hear of Randy's passing. My heartfelt sympathy is with the family. Randy and Karen were such a wonderful couple to know. Randy was one of the best attorneys in Lafayette County, and later a great associate judge. My heart breaks for Karen and Kimberly and Phillip and their spouses and the grandchildren, and all the family.*

Please accept my condolences.

“Randy and Karen have been our friends ever since they bought a lake home next door to ours some 15 years ago. I always enjoyed whatever he grilled on the Weber. He thoroughly enjoyed the competition off a good card game. When they were “weekenders” they would always come over to my outdoor fires on Friday nights. We had great visits and melted a few beer cans solving problems of the world together. He loved golf and tried to groom me as a partner by giving me a set of clubs. I’m sorry that I never became very good at it. We canoed the Little Niangua River once when the water was so low our canoe needed wheels. One time we went camping at Beaver lake on their 1st camp in their new camper. During the day we toured Eureka Springs. Randy and I found a hat shop with pretty sales lady’s. We tried on every hat in the store while the sales ladies told us how good we looked in them. Connie and I met them when they were camping in Deadwood SD. We convinced them to tour Rocky Mountain National Park with us. What a great adventure it was. I miss Randy. Our heart breaks for his family.
