“ I have so many good memories of Randy! I always admired how he took care of his girls. He was always kind and patient. One of my favorite memories was when Julie and I made him dinner from scratch when we were about 10. He ate every bite of that watery vegetable soup and complemented us on a fine meal. ❤️

“ So sorry for your loss. I remember both Bill and Randy (who I met first) during those good ole girl scout days. Because of you girls I connected to your family for several generations and variances. That was good considering all the guys and Ron at Tallman Co! We are the old folks now. Sad to be so removed from daily activities with you. Prayers and Blessings for you all. Tricia and Ron Kephart
