“ So, so sorry for your loss. "Fletch" was a classmate of mine all through high school and he was one of my better friends. Just a wonderful guy with a great sense of humor. I know he will be missed. RIP old buddy.

“ Was so sad to hear this...my prayers and heartfelt condolences to you my friend! This was no ordinary life...well lived, but never ordinary! I'll always remember days on the deck and the boat! RIP

“ Ray always had patience with me when I asked football questions during the game. That was an anomaly in my world. He used to give me tips about over-the-road driving since I used to drive back and forth so much, and he used to be a truck driver. We'd get maps out and discuss routes. He used to like taking people out on his boat. Still remember one hilarious night with him, Mary, and Trish and a couple 4th of Julys under the Lake Fireworks. Good bar-B-Qr and yummy cook with Mary as kitchen navigator. Good memories.

“ Mary - So sorry for your loss. Of course I always enjoyed visiting with Ray and talking football. He did some great cooking on the deck on the grill--lots of fun times. Was there with you two when you got married 19 years ago. He will be missed. Prayers for you Mary.
