“ Sid was always a man of many words sometimes those words would make a room go silent!! First time I ever met him I thought he had ran over my dogs but he assured me he would never do that and since that day he has been a very dear friend of ours, he was always that Grandpa figure that would tell you things or say things you didn't want to hear but he was only telling you for your own good! Sid was good to our family when we were down on our luck and we will forever be grateful.. We are going to miss him and miss waving at him every time he drove past our house and honked. Rest in peace Mr. Sid Hawks you touched more lives in this lifetime than you realize. Michele our family is sending you love and prayers during this difficult time.. So sorry for the family's loss..

*Sid besides being a true friend helped out our family over the years so much . His help with all those cars not only helped us as a family but helped me get my kids through college ! Being the same age I can't come to grips with this happening. I offered a Mass for him over the weekend*

*Our prayers are with you
