“ I went to grade school at Routon with Raymond and several of his siblings. We were also neighbors. He was more like a brother the families were close.

“ Janice, I believe I remember you from Salmon School. Your brother, Jimmy, and I were in the 4th grade together. I knew your father, Dorsey. May our Lord and memories bring comfort to you.

“ After enjoying the Sidebottom reunions, we used to go to Raymond and Janice's home for more story telling. I sure wish I had those conversations on tape! Raymond was always so fun and entertaining. He taught us about tiff mines and family history. Our hearts go out to all of you. Our comfort is that he knew the Lord. God bless you all.

Although we didn't know Raymond and Janice long, we got acquainted with them through church and were involved in Life Group in their home. Their family became like our family, and we enjoyed seeing them and spending time with them. Our love and prayers go out to Janice and the family, with our deepest sympathy.

May be gone but not forgotten! No more pain and in a much better place. Became friends in the early 60's, spent a lot of time with the family during Church activities. We were both involved in Royal Rangers so we enjoyed camping out with the boys and telling ghost stories, yep we were a bit onery. Prayers for the family.
