“ I am so very sorry for the loss of such a great woman. I remember she never talked to me like a child..she talked to me like I was important, no matter how silly. I remember her amazing laugh and the way your mom and my dad would go back and forth teasing until everyone was laughing hysterically. She will be greatly missed. I am glad she is now with her family on the other side and the Becky we all knew before illness took over. Love you forever Aunt Becky!!
