“ I am so sorry for your loss. Regina was a friend of mine when we were just ten years old. We went to summer camp that year, Dusty & Regina & I. So long ago, 44 years ago, but still, I remember those times, wanting to reconnect I typed in their names on google and found this page. I wish that I would have tried to connect sooner. I remember those times fondly. I cried the day, Clyde & Althie brought them over to say goodbye, the day that they left. I loved Regina & Dusty.
- this is my email address - perrydays@hotmail.com and I would love to reconnect with Dusty. Linda (Fite) Perry

“Gina was my sister and my friend. She was always there for me no matter what the situation. I was her third birthday present and she never let me forget that she had asked for a pony and got me instead. Words cannot express the emptiness that is felt right now. I will love her and miss her always. To David, Christy and the grandchildren, she lives on in all of you. I pray your hearts will heal quickly for that is what Gina would want, remember she lived life to the fullest and never took a day for granted. You were her world!!

She is Gone

*You can shed tears that she is gone
Or you can smile because she has lived
You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left
Your heart can be empty because you can't see her
Or you can be full of the love that you shared
You can turn your back on tomorrow because of yesterday
You can remember her and only that she is gone
Or you can cherish her memory and let it live on
You can cry and close your mind,
be empty and turn your back
Or you can do what she would want:
smile, open your eyes, love and go on.*

Do you know how much you were loved!

Rest in Peace dear sisiter-in-law

“ If I ever met Regina, I was probably too young to remember. A lifelong family friend of the Owens Family, I remember meeting Christy a few times in my early (early) childhood. To hear of this news and feeling everyone's pain in your loss, truly breaks my heart. My heart is heavy for everyone during this time and may your memories of Regina live forever!

“ *My Aunt Regina was a generous woman with a heart of gold. If you were blessed to have known her, you had to love her. She was outgoing and full of spirit. She lived life to the fullest. Growing up she was like having another Mom. Always there for all of us kids. She taught us how to appreciate life, and that family is a gift that we are lucky to have. She taught us many things, a lot of my fondess memories of growing up are with her in them. This tragedy has definitely left a hole in my heart. She was taken much too soon, and I pray for strength for my Cousin Christy my Uncle David Pipes, and Aunt Regina's 4 beautiful Grandchildren. I love you with all my heart Aunt Regina, I will miss you dearly. May you rest in peace.*

Gina was my sister-in-law. There was no blood between us, but we were family just the same. I am grieving the loss of something that will never be replaced. My heart is broken by the loss that her husband David, her daughter Christy, and her four precious grand kids must be feeling. We love you Gina. We will miss you forever. Fly with the angels girl, I know you are.

“ Reggie was so dearly loved by all who knew her! She had been my inspiration from my 1st day at Printlynx. Work however, was not her only passion. Her husband, children and especially her grandchildren were the true lights in her life. She also had many animals she would fuss about now n then but also loved them nonetheless. My day is definitely darker knowing she's not there to brighten it for me with one of her amazing anecdotes. Regina you will now get a well deserved rest in the arms of God. Blessings and Prayers to your family

“ Regina was a hard worker, who always put in a full day. You could hear her singing in the press room. She loved the outdoors and hunting and would on occasion share a story with me. She gave me hugs from time to time when she knew things were rough for me which I thought was special. See was a wonderful person and will be greatly missed by all. I now her family and grandchildren meant the world to her.

“ Regina had a big heart and was always willing to anyone that needed it. She was a hard worker and would love to sing while she worked. She enjoyed sharing her time spent with her family, especially her grandchildren. She was a big part of our Printlynx Family and will be sadly missed.

Regina was a great person with a huge heart. She loved her husband, daughter and her grandchildren and spoke of them often. Regina was also an animal lover and we would talk about dogs quite a bit. I loved her and she will be greatly missed at work and in life. I will miss seeing her so much but I know that she will always be with us in our heart. My thoughts and prayers go out all who Regina touched in life. God Bless all.
