“ To all the Dolphin family, many great memories of Richard (Dickey) of spending time together at the house and through school. He was always a great friend to anyone he knew and had fun in life. We will remember his great personality and smile. Hang in there.

“ *Of course it's customary to say only good things about persons who've passed on. But in Dicky's case, I honestly have only good memories of him. Dicky was the only boy (age 16 at the time), from our hometown and church, who ever asked me to attend a social event with him; a party, with board games, snacks, etc. Dicky picked me up from my parents' home, drove us there. His wit and humor throughout that evening was the only reason I remember that party, and he was the only reason I enjoyed being there. Dicky was always upbeat, happy, easygoing; every memory I have of him includes laughter. He truly was a bright beacon of friendship in a personally difficult time. I have thought of Dicky through the years, and truly saddened at his too-young! passing. Rest in peace, Dicky. You are loved and missed.*

“ *Saddened and shocked to hear of Dicky's death. I have not seen him since high school, but always remembered him with a smile and laughing! Such a sweet guy and so much fun!! God bless you all as you grieve his loss, but share the good memories too.*

*Sincerely,

“ *Thoughts and Prayers are with Anna and Dicky's entire family. He was always a hoot and so much fun. I will never forget all the times I spent at your house, raising cane and he always made me laugh. Love to you all, Mary Jo Hughes*

“ *Richard was a classmate and church friend. I am very sad to hear he has passed. We lost touch over the years but always considered him a friend and have lots of memories of growing up together. My deepest sympathies to his family .*
