“ *My sympathies to the family. I remember Rich from when he drove an 18 wheeler for my Grandfather, Robert Case, of Bunceton, MO back in the early 70's. When I was 13 or 14, Rich agreed to let me ride along with him on a trip to Oklahoma to take a load of livestock. He let me operate the CB radio. What a lasting memory for a young boy. I wish I would have thanked him before now...*
