“ We were just talking about Bob and Millie today and sadly discovered they had both passed. We were friends with them in Parkville and had many good times together. We also visited them after they moved to the lake, and they came to see us, when we moved to CA. They were both wonderful, kind people. We're so sorry for your loss, but they are together again. ❤️ Love, Linda and Chuck Schiller

“ Our deepest and sincere condolences to Bobs family with special prayers for the family. Bob was a perfect example of what a true man of God is to be. He mentored and supported Scott through his journey to becoming a Pastor and would always stop in to see how we were. We will truly miss him as we do Millie. Scott & Tina McCormack
