“ It happened so fast! One day you are here and the next you are gone. I'm glad I got to spend time with you and get that last hug and a kiss. Not realizing that it would be the last one. I miss your daily e-mails. Time marches on though and we will remember you and that sweet little quirkey smile that you had for everyone you met. I know you are enjoying the time with mom and dad. Love you forever brother.
