“ I have known Rodney nearly all my life. When I heard he was going to Vet School I was not surprised. His dedication to the animals he attended to and the humans he comforted went above and beyond. He always answered the call, no matter the hour or how long he had been on call. He was the epitome of a veterinarian and one that will never be replaced. Our best to his wife, sister and brother, and the extended families. Ray E. Sousley and Family
