I was dating Ron at the time of this picture; I have thought of him often through the years. He was the sweetest guy ever. I had lost touch and just found out tonight. I'm very sad. Patty Milbourn

“ *Ron and I were born just days apart. I remember all the early years Thanksgiving dinners... the wonderful tradition of family getting together. The kids would fill their plates and sit on the stairs to eat. I also remember Ron's mom, Aunt Rosalie would end up having to yell at us because we would be jumping off the bunk bed!! We've had good times and rough times. RIP*

“ We loved Ronnie! I will miss our long phone conversations and debates. I so enjoyed and looked forward to our phone conversations. You were the best! How could this happen to someone so deserving of life? I feel so badly for your family and our hearts go out to them during this time. You always had a great sense of humor and together we could find a joke in most anything, but this is one I can't find anything humorous about. We loved you and will deeply miss you. Till we see each other again brother, peace. Vickie, Don (DW) and Luke Walker
