“ Russ, "Sam", was one of the best people I have ever had the pleasure of knowing and spending time with. He was always there when I needed him and was the person, I went to, for almost all advice! He never asked for a thing in return and spoiled my daughter for birthdays and holidays! we spent many lunches together just talking about nothing at all...or politics! He was truly my favorite person, I will hold him in my heart for the rest of my life. He was one of only two people in this world, that I was not related to, that I love. I miss you so much already! Rest in Peace my Favorite Person!
