“ *The Morgan Co. Library has wonderful memories of Russell bringing Trey and Sydney to story time when they were young. We didn't get to see many dads let alone uncles! What a treat for not only his nephew and neice, but the example he set for others. Russell's legacy is certainly full and rich. With much regard, the Librarians of the Morgan Co. Library.*

“ *Please know that we are thinking about you at this time. Our condolences to you all. Though I hadn't seen Russell a lot in the past years I thought of him often as he was a charter member of the Easthill gang. I smile at the thought of his cautious nature when the rest of us were up to some mischief. I know that he is having a great time with his family that have already embraced him. Love you all,*
