“ *For the last 15 months have had the enjoyment of talking to Miss Ruth on the phone when she called and made VA Appointments.*

*I so enjoyed our chats. Most of the time they would go on forever. She always had something positive to say to me.*

*I am very sorry for your families loss. I wish I had gotten to meet her face to face.*

*She was an awesome lady to talk to.*

“ Momma, it has been a week since you left earth. I am not ok. I miss you so much. My heart hurts everyday and I only wish I could get another momma hug. I am so sorry that life ended the way it did. I am glad that I was able to spend some time with you and will cherish the talks we had almost daily. My life and my kids life is better because you were part of it. I love you and will always love you to Pluto and beyond. Hugs and kisses till later. Tammy
