“ Sam was in our youth group at Family Worship Center in Versailles, Missouri. She loved to hang out with all the other students and loved to go on youth trips and summer camps with us. She always respected us and talked to us about her life, school, friends and whatever else was going on. Sam was there almost every Wednesday for 3 years, she loved music and loved learn about God, she invited and brought a lot of friends with her to church. We prayed with her and encouraged her and tried to guide her the best we could. We wish we would have been able to keep up with her more over the years. She will be missed.

“ I have many memories of my little sister. But the biggest one that always comes to mind was when she was 11 and when I had gotten married on my grandma an grandpa's front porch. Afterwards she stood there Infront of everybody with the biggest smile an the purest voice and sand Uncle Krackers song Follow Me with no music from heart....

“ Several years of my childhood we were inseparable! Time has flown by. I hadn't talked to you in ages but I'll always remember the many weekends we spent together, danced in your basement to shakira, walked around town together, you dating my brother.. it seems like a lifetime ago. I can't believe you're gone, fly high Sam! Until we meet again! 💔
