“ *We were so blessed to have Sam for a friend he was a friend to many. We will remember the evening phone calls just to talk to Dave and chat . And the help that Mandy had to learn over the fire cooking with the cookbook recipes and his advice on it. The family is in our thoughts and prayers. David Debbie and Mandy Mccollom*

“ *I first became acquainted with Sam when we were in the 4th grade together at Salmon School. He and I used to play carom together at recess. Even then I remember his being good in arithmetic, which would later lead him into accounting. I have the Mirror of 1963 (Versailles High School Year Book) and am looking at Sam's picture and notice he was referred to as "Sambo", which I had forgotten. I also notice he was president of the FFA our Senior year (1963).*
